

Letter 928
The Protection of President Donald J Trump
-AND-
The Deliverance of The Nation
2024-08-11

Dear **Yeshua**,

Sunday, 11 August 2024, 5:35AM

The other day I was thinking about a previous dream I had in 2021 concerning former President Donald J Trump, documented in [Letter 898c](#).

I was then prompted by the [Lord Holy Spirit](#) to email a link to that Letter to (CB47).

Here are quotes from that email:

(...),

I have been perusing my Letter archives, and found this one ([link to Letter 898c](#)).

Any thoughts? (Hint, the young man in Part 1 is one of Donald Trump's angels.)

Pretty descriptive of what's been happening since you had that dream. The forces of evil have been trying to undo all the good that Trump did. It doesn't matter that there is nothing wrong with it. Because Trump did it, it has to be undone. Trump Derangement Syndrome. -(...)

END EMAIL EXCHANGE.

While I was initially reviewing Letter 898c, I noticed something that I had left out. But it appears that this omission may be of singular importance.

Typically, I include what I call a "Post Dream Analysis" at the end of each dream. This is where the Lord explains the dream to me, and I write down what He says. But in this dream, I simply put "YTBD", which stands for "Yet To Be Determined". Please note the date of Letter 898c as 26 December 2021.

I now have reason to believe that this email exchange with (CB47) is part of the Post Dream Analysis. Another part is the IIP (Individual Intercession Protocol) control form we executed this morning. Here is a [link to that IIP](#).

But wait, there's more:

"Then I (The Voter) remarked that I was not going to submit the Ice Cream (President Trump's Real Good Ideas) to the recall if there was no problem, and I took the Ice Cream away from her and put it back in my freezer (a means of storage in times of abundance for future use).

"My position to her was;

"WELL, NO."

"THERE IS NOTHING WRONG WITH THE ICE CREAM."

"YOU'RE NOT GOING TO RECALL MY ICE CREAM."

"GET OUT OF HERE." (exorcized and voted out of office)"

Well, I think that's all for now.

Many Blessings, and Much Shalom...
