Dear **Yeshua**,

Wednesday, 1 January 2025, 6:20AM

I am writing this Letter on 1 January 2025. It was supposed to be the final Letter of the year, which was last year 2024.

But I am writing it one day late, on the first day of 2025. So, this Letter will then serve two functions simultaneously - the End of Year Letter of A. D. 2024, and the First letter of the New Year A. D. 2025.

This last year saw what was the most important thing to occur in the last 4 years, that being the election of President Donald Trump to his second term in office. This year will see the most important thing to occur in 2025, the inauguration 19 days from now of President Trump as the 47th President of the United States..

It is my hope that the war against the Bill of Rights and the American People waged by outgoing President Joe Biden will be terminated and replaced by the restoration and preservation of all rights to the American People, especially 2nd Amendment rights.

If President Trump is good for his word, this will happen.

This will also happen because **Jesus** is ALWAYS GOOD for **His** Word. But **He** seeks men who will agree with **Him** to do **His** will.

Meanwhile, here in the State of Washington, We The People are still under attack by the Democratic party.

I am reminded of the end of the story in The Lord Of The Rings saga, in which Frodo and Company return to the Shire, only to find the Wizard Saruman has taken over as a Crime Boss named "Sharkey". Frodo then is compelled to raise up a Militia from his own countrymen in order to overthrow Sharkey and his gang.

It is my own hope the same thing will happen here in Washington State. I hope that We The People will see how the Democrats are systematically eroding personal Freedom and Liberty by passing laws which are themselves illegal, being explicitly unconstitutional.

And it is my hope that **Jesus** will raise up **His** own Militia of Prayer Warriors from within "We The People" in order to overthrow the "Sharkeys" who hold political office, and to utterly destroy all their works.

Amen.

Many Blessings, and Much Shalom...

R. C. Theophilus
