

Letter 639
LETTER
To Mrs. Sharon Gilbert
2017-11-05

Dear **Yeshua**,

Sunday, 5 November 2017, 1AM.

Friday night at work I was listening to a podcast called SkyWatch TV, hosted by Mr. Derek Gilbert and his wife Sharon. At one point Mrs. Gilbert announced their mailing address. It was then that the Lord Holy Spirit suggested that I write to Mrs. Gilbert, letting her know of our Letters to You, and of our ongoing Testimony (see Revelation 12:11).

Here therefore is the Letter to Mrs. Sharon Gilbert.

Dear Mrs. Gilbert, Greetings in Jesus Name.

Please allow me to introduce myself as one who is very grateful for you and your husband's ministry on the "radio", or in today's parlance, on my iPod via iTunes. It was, I think, in about late 2014 that I somehow "stumbled upon" your show, which had a different name then, View From The Bunker.

I work at night as a hospital janitor, during what some call the "Graveyard Shift", and as such am able to listen to audio most of the night. But I am also what some in the Church would call a "Seer". I began documenting my experiences as a Seer in July of 2011, when I sent a Letter to my friend Dan, who is also a Seer. Not long afterwards, I purchased a URL, and began posting the Letters on a website: www.letterstodan.com.

That was over six years and 600 Letters ago. I stopped sending actual letters to Dan at number 499. After that they became online Letters to Jesus. This saves a lot on postage, since Jesus gets a hard Spirit-Copy of my Letters via Secure Angelic Messenger, and I don't have to print and mail paper pages or buy stamps like I use to anymore.

I am very familiar with Dr. Michael Heiser, and would listen to him being interviewed by Art Bell and George Noory, on Coast to Coast AM, many years ago. I have also read his books The Unseen Realm and Reversing Hermon. But the bulk of my Bible Study Training comes from from Dr. Chuck Missler, of Koinonia House, plus my own studies throughout the years.

Please consider what I have written, especially in Letters 210 - 220a Volume 4. It may be that some of what I have written is complimentary to much of what your show is about.

Thank you, and may our Father in Heaven richly bless you and your Household. I continue to be a grateful listener. Many thanks.

Sincerely,

and

Many Blessings...
