

— **EMERALD IN THE CITY** —

There is an Emerald in the City.  
A place where people go  
To worship God our Father,  
And help our Faith to grow.

Laughter can be heard there,  
The sound of Joy, and tears  
Of Repentance from the Heart  
And Healing of ones Fears.

Home of Peace and Kindness,  
Of Breaking Bread and conversation  
That encourages our growth  
And Strengthens our Salvation.

Mighty and strong are the prayers,  
Prayed upon the Western shore.  
In the presence of the Son,  
In the presence of Two or More.

O Gemstone bright and clear,  
No blemish can be found.  
A fitting Gift of Love  
For the King's Wedding crown.

Amen
