

— **MURPHY DOES NOT WORK HERE** —  
(‘Cause He Got Fired)

Murphy says "CAN'T" and "WON'T",  
When God says "CAN" and "DO".  
Murphy puts the lid on all things GOOD and TRUE.

Misery is Murphy's BED,  
To which all fools being are led.  
He even makes a mockery of the KING Who died and bled.

Murphy is insane and in every way dement',  
Making believe evil is good,  
and declaring wholeness rent.

Now comes the Lord, Great God and KING,  
A Proclamation of RIGHT He sings.

Hear now His Word and Song;  
With Lovingkindness and Power He forever Rights the wrong..

**Verse 1**

"Murphy is a wee little Imp,  
A wee little Imp is he.  
Murphy runs and hides his face  
from the Tiniest Little Gwee."

**(Refrain: to the tune of "O Susanna")**  
"Old Mr. Murphy you don't work here anymore.  
Left your First Estate,  
Became Second Rate,  
You don't work here anymore."

**Verse 2**

"Murphy's Law, illegal is,  
ain't got a place in My Kingdom.  
If Murphy tries to steal your joy,  
just repeat the Word that I bring him."

**(refrain)**
